

TIPS TO AVOID TICKETS

- 1 If you have any question about parking on campus, call Parking Services.
Any other source is unreliable!
- 2 Have a properly displayed, valid WSU Riverpoint Parking Permit.
- 3 Stay away from meters if you hate to watch the clock. Most meters are only for two hours.
- 4 The objective of a zone system is to provide you with a reliable chance of finding a space in your zone. Parking is on a first-come, first-served basis; there are no guarantees. If you cannot find a space in your assigned zone, use the park-down rules described in this brochure to find the other areas where you can park with your permit.
- 5 Pay close attention to signs and park in marked spaces only. All lots have signs at their entrances to let you know what type of restrictions apply, and when enforcement is in effect.
- 6 If your vehicle becomes disabled, and you cannot move it right away, call our office or security.
- 7 For information when the Parking Office is closed, call security at 358-7995.

THERE ARE MAPS AND OTHER USEFUL INFORMATION AVAILABLE IN OUR OFFICE.
