Spokane Winter Glow Spectacular

November 26th – December 31st, 2018; FREE

Cowley Park, Spokane, WA

Happy Holidays Spokane,

Spokane Winter Glow presents its annual Christmas light show at Cowley Park just to the north of Sacred Heart's Children's Hospital. Christmas lights, donated by various companies including Ace Hardware, are put up in the trees by Avista and Winter Glow volunteers install most of the ground displays.

Without the dedication of a few individuals and our wonderful sponsors, we could never accomplish this major undertaking. We will be down at the park every day for the next 40 days to make sure the displays and music are always working properly. It is our pleasure to present this to the Spokane Community and the Children's Hospital. Merry Christmas to everyone
